## **AUTHORIZED RESELLER CERTIFICATE**

As the world's leading manufacturer of heat applied materials, Siser® North America (a division of Siser s.r.l., Italy) is dedicated to providing customers with genuine, manufacturer-warranted first quality materials. In an effort to insure that the materials you receive are genuine Siser heat transfer materials, we have instituted the Authorized Siser Reseller Program.

This program is designed to give peace of mind that you are purchasing materials through a supplier that have been obtained directly from a Siser Authorized Distributor and that have been handled and stored properly.

Siser takes material quality and authenticity seriously and hereby certifies that S2S Warehouse is an Authorized Siser Reseller in good standing and is allowed to market and sell genuine Siser products using the Siser logo, product names, and trade dress.

We also certify that all Siser brand materials sold by S2S Warehouse:

- Were obtained directly from a Siser Authorized Distributor or Siser authorized channels.
- Were handled and stored in accordance with industry quality standards.

If you have any questions about this certificate, please contact us at 866-301-9409 or [info@siserna.com](mailto:info@siserna.com).

Sincerely,
